

EMERGING INTERESTS

Please note that assigned mentor names just reflect the expertise of mentors who attended the workshop! For more information, consult <https://complexcitiesstudio.org/supervisors/>!

Planning Complex Cities is a MSc Urbanism graduation studio at the Department of Urbanism, Faculty of Architecture and the Built Environment, Delft University of Technology. Graduations combine knowledge from the fields of planning and design for a built environment that is appreciated by many, in a democratic and open society.
For more information, see <https://complexcitiesstudio.org/>
